

Concrete Parking Design Assistance Seminar

Hilton Garden Inn
Springdale, AR
Wednesday, August 12, 2015
8:30 am - 3:30 pm

Join us for an educational/technical seminar on the latest solutions for your concrete parking lots. You will hear from industry experts on free design assistance available through the NRMCA Design Assistance Program. This program can provide complete design overview, jointing and construction. Conventional concrete, concrete overlays and pervious concrete will be addressed. Fly ash mix designs with maximum replacement, carbon footprint, sustainability and current status of the fly ash industry.

Sponsored by: **Arkansas Ready Mixed Concrete Association & Arkansas Chapter ACI**

Featured Presentations:

Market Overview and Potential Design Assistance Program (DAP)	Amanda Hult, P. E., NRMCA
